

You Can Do It! Education

You Can Do It! Education is embedded within the culture of St Joseph's. The program provides young people with the skills they need to be successful at school, experience wellbeing, develop positive relationships and make positive contributions to others and the community.

The program is based on 5 core social and emotional strengths that contribute to positive student outcomes. These are referred to as the program's keys:

Along with prescribed Pastoral Care lessons each week, this program informs the language of the classroom, recognition of student achievement through assembly awards, our weekly social learning focus and student behaviour management.
