## VOLUNTEERS

At St Joseph's School, Clare, we believe in building community and we value the role that Grandparents and Special Friends play as integral members of our school community and partners in the education of our students. We are excited about the many possibilities that you may offer.

There are numerous ways Grandparents and Special Friends can be involved and contribute to our school. Some occur throughout the school year, others are one-off events. This brochure provides a brief overview, but feel free to contact us if you want any further information.

To volunteer in our school you will need to comply with legislation around Safe Practices with Children. This means you will require a **WORKING WITH CHILDREN CHECK (WWWC)**. You will also need to do certification in **Responding to Risks of Harm , Abuse & Neglect in Education & Care Settings (RRHAN-EC)**. We will help you with this; a simple straight forward task that ensures both you and all students are kept safe.

Please see Nicola McMurray in our front office for information and application forms in relation to these or contact Nicola on:
