Dear Parents of St Joseph’s,

Next Monday, 17th November is the day of the St Joseph’s School Concert in the grounds of the Sevenhill Winery.
Following is a list of important details for you to take note of:

- The Concert will begin at 6:30 pm.
- A map of the venue is below. The section directly in front of the stage will have rugs already down. This area is for the school children. Please note that there will be ample space behind this for blankets/rugs, with the back section and surrounding area being devoted to LOW BACKED deck chairs. An aisle will be marked down the entire centre leading from the stage. Please keep this area clear at ALL times.
- Upon arriving, please park in the St Aloysius Church car park. Only approach the grounds along the bitumen road. Programmes of the evening will be given out as you enter.
- The front area, including the stage, around the stage and school children’s sitting area, will be cordoned off before the concert begins. Please ensure that this area is kept clear at all times, especially to toddlers. We greatly appreciate your co-operation in this. Thanks.
- If you are coming along early to enjoy a picnic tea with your family or the future Year 7’s BBQ fundraiser, please consider others and remember to use the bins provided. This will assist in the overall tidy up at the end of the evening.
- There is to be NO alcohol consumed on the grounds throughout the evening. It is also a non-smoking venue. Please respect this request.
- This year, ALL school children will be required to meet their class teachers NO LATER than 6:15 pm on the far side of the grass area from where families will enter (please see map). This area is designated for school children only and is not for parents or toddlers to go unless previously specified by your child’s class teacher to assist with costuming and/or face painting.
- Please ensure that school children do not have any food with them when they are sitting with their classes.
• We are again doing a DVD of the concert. A great Christmas present!!?? This DVD will be available to buy through the school for $20. An order form is below and will be in the newsletter over the coming weeks.
• The school children have put in a huge amount of time and effort to present this concert to you, so we ask that during the concert, toddlers and older students remain with their families at all times. Please also keep younger siblings away from their school age brothers/sisters at the front of the stage. It can be very distracting for them and the teachers need their full attention.
We thank you for your co-operation.
• Finally, we ask that you respect those around you and refrain from speaking during performances.
• The concert is anticipated to conclude around 8:00 pm.
• **Please Note** – On the day following the concert, children have the option of coming to school at Recess to assist those who are tired.

We are looking forward to another successful evening and hope that it is an enjoyable one for all attending.
We thank you for your continued support throughout the year with anything ‘St Joseph’s’.
See you all there on Monday!

Mrs Pud 😊
