Dear Students and Parents,

In our classroom I would like to have a weekly ‘Happy Camper’. This Happy Camper of the Week will have a few tasks to do and will require your help.

On **Monday** the Happy Camper needs to bring in a couple of their favourite pictures to share with our classmates. These pictures can be of family, pets, or hobbies. These pictures will be displayed for the week. I will send these home on Friday Afternoon. (Treat this time as a short show and tell. Whatever they are interested in they can bring and show).

On **Tuesday** the Happy Camper needs to bring their favourite book. I would ideally LOVE for a parent, grandparent, aunt, uncle, etc. to come in right before home time and read it to the class (3pm). This way, by reading it aloud, the students get to know you as the parent and see our partnership in their education. However, if it is impossible for someone to come let me know and I’ll gladly read it aloud for our class. Alternatively if another day in the week would suit you better we can arrange a swap.

On **Thursday** the Happy Camper needs to bring a note that you have written to your child. I will read this note aloud to the class. You can put things that you believe are amazing and unique to your child like their hobbies, and the things you love most about them. Or aim is for you to let them know how proud you are of them. I will send a template home as a guide.

On **Friday** the Farmer is asked to bring in a shared plate of their favourite thing to cook at home. There needs to be enough for 17 children and please keep in mind that whilst we have no known allergies in the class, we ask you provide an ingredient list.

*Weeks that have a Public Holiday we will also use Thursday to catch up anything missed.*

---

Please see the attached job list for the Happy Campers job list.

Thank you for your support and help to make your child’s week extra special!

Kate Mensforth and Marissa Lloyd
